Request: Amend operations of the Broward County Homeless Assistance Center

1. Discuss the number of vehicles needed to provide transportation for the children. What are the approximate times of arrival and departure of the vehicles? Where will the children be dropped off and picked up?
2. Provide a traffic statement to illustrate the impact of the increased number of trips.
3. According to the City Attorney, these requested changes will require review by both the Planning & Zoning Board and the City Commission.
4. Additional comments may be forthcoming at DRC meeting.
